FOR IMMEDIATE RELEASE

Universal Valve Announces Release of New Catalog

(Elizabeth, NJ) June 2009 - Universal Valve Co. has recently announced the release of their new CD catalog along with the release of their 2009 print catalog. Both the CD and print catalogs feature over 90 products from Universal Valve who has been a leader in service station equipment for over 75 years.

Universal's new catalogs feature their newest products including the new 2" overfill valve designed for day tanks, pipe guards, and new double wall spill container. Along with their new products they also are featuring their new line of curb hose.

The CD catalog includes a link to Universal Valve's website, price sheets, curb hose information, as well as their complete catalog featuring all of their products. The print catalog contains over 100 pages of Universal product descriptions, information about the company, and facts on installation.

Universal has manufactured and marketed quality service station valves and fittings, environmental products, and manholes for more than 75 years. They pride themselves on dependability, reliability, and quality.
