Universal Valve Co. Appoints Frontier Sales as New Sales Representative

For Immediate Release

(Elizabeth, NJ) November 2013 – Universal Valve Co., service station equipment manufacturer, has recently announced the appointment of Frontier Sales of Utah, as their exclusive sales representative for the western territories of the United States. David Luke, President of Frontier Sales, has been specializing in professional sales representation of petroleum equipment since 1996.

Frontier Sales will be covering the territories of California, Arizona, Nevada, Oregon, Washington, Idaho, Montana, Utah, Wyoming, Colorado, Alaska, Hawaii, and Guam. Frontier Sales will be responsible for sales in the region to petroleum equipment distributors and provide extensive knowledge of the Universal Valve Co. product line.

For over 80 years Universal Valve Co. has been an industry leader in quality and innovation within the service station industry. Their product line includes valves, fittings, manholes, pipe guards, service station accessories, and signage.
